DARK WOOD FARM

2017 Community Supported Agriculture

MEMBERSHIP TERMS:

I agree to pick up my weekly CSA share at my designated pick up location and time, and understand that there will be no refund or credit for late or missed pick-ups. *Out of courtesy to our neighborhood hosts, please only gather your share within the designated pick-up times.*

I agree to provide my own bags and/or cooler to transport my produce.

Pre-planned vacations or missed weeks:

I agree to make my own arrangements to have someone else pick up my share during my planned absence - *or* -

I will contact Annie ***at least one week in advance*** to have my share held in refrigeration until the next week, but understand that produce quality cannot be guaranteed if I choose this option.

I agree to pay for my share in full by May 8, otherwise I will forfeit my CSA membership.

I understand that pertinent information regarding my CSA membership and weekly shares will be communicated by my farmers via e-mail and I agree to provide at least one email address where I would like to receive this information. *Your farmers agree not to share your e-mail address or any other pertinent information.*

Your first CSA share will be ready in mid to late May, depending on spring growing conditions. We will e-mail you one week in advance of the first pick-up date.

If fewer than 3 CSA members sign up for your preferred pick-up location, we will ask you to choose another site. We will confirm your pick-up site and provide details regarding the location prior to the beginning of the season.

Optional add-on items will be offered at a later date.
